DOUGLAS FLETCHER SAFARIS

A TRUE KALAHARI EXPERIENCE

BACKGROUND

About us

This safari farm was started in 1988, it was owned by legends Douglas and Elsa Fletcher. Unfortunately, Douglas passed away in October 2001, leaving behind his legacy and his 3 children.

Their younger son, Dougie Fletcher together with his wife Anjuré started their Safari company in 2013. Since then it has grown into a first-class safari operation that thrives on repeat customers and word of mouth.

KALAHARI OUTFITTERS

Accommodation

A TRUE KALAHARI EXPERIENCE

In October 2019, we embarked on a journey to enhance our facilities and cater for the diverse needs of our clientele, giving rise to Camp Oryx.

We are committed to yearly upgrades, introducing continuously improving our facilities to ensure our clients enjoy their stay in a comfortable and welcoming lodge.

Our luxurious deluxe room, breathtaking thatched rooms and our awe inspiring safari tents

While lying in bed you will hear the vibrant sounds of night life and you will be greeted by the warm kiss of the African sun and early morning bird calls that immerse you in Africa. Each of our tents have en-suite bathrooms. After a long day of hunting you can experience the vibrant African sunset in your private outdoor shower.

Our Thatched luxury rooms are open plan each with their own bathroom. While enjoying a nice cocktail and a relaxing bath you can soak up the fond memories of a great day.

Our Deluxe room is meticulously decorated giving this spacious room a warm, cozy feeling that will make your Safari comfortable after a hard day in the bush. This room was designed to make your wife feel at home and enjoy the luxury that Africa offers.

All our rooms are equipped with both heating and cooling.

Supporting the local village school by donating meat or school supplies

Our Pay-It-Forward initiative revolves around our local community and we donate some of the meat by our clients as well as school supplies and toys to the local village pastor. He distributes this share of much needed protein to under-privileged children and local families. This initiative helps feed the children at the local school and assists with the day to day running of a bi- weekly food scheme. Any donations from our clients is highly appreciated.

Our bushmen dancers are also from the local village and they will give you a unforgettable night of partying and dancing to remember.

Lets make a difference together.

Whether on foot, by boat, or through careful stalking, we uphold the spirit of fair chase, offering extraordinary trophy opportunities. Our wetland is renowned for its exceptional Hippo, Crocodile, and Buffalo experiences. With three distinctive concessions at our disposal, your journey promises an unparalleled African safari.
